10

9

A ten-frame diagram showing 10 green circles arranged in two rows of five. A vertical line divides the frame into two equal halves. The number 6 is written in the left half, and the number 4 is written in the right half.

**10**

A ten-frame diagram consisting of a large rectangle divided into two equal halves by a vertical line. On the left half, the number '10' is written in a large, bold, black font. On the right half, there are 10 green circles arranged in two rows of five, representing the number 10.
