

Where is Pip?

Reading · Lectura en inglés británico (cuento): ¿Dónde está Pip?

It is nine o'clock on Monday morning. The children in Class 3B are coming into the classroom. Pip, the class hamster, lives in a cage next to the window. But today the cage is open and empty!

"Where is Pip?" asks Mr Rivera, the teacher. Everybody looks for him. Sofía looks under the desks. Kofi looks behind the books. Itzel looks in the toy box. No Pip!

Then Mei hears a noise: crunch, crunch! It is coming from Mateo's bag. Mateo opens it slowly. Pip is inside. He is eating Mateo's carrot sticks!

Everybody laughs. "Pip can climb very well," says Mr Rivera. Now Mei checks the cage door every afternoon at three o'clock. And Mateo always closes his bag!
